

Center for Vision Development Optometry Inc.

COVID-related Safety and Health Protocols

To help protect all our patients and staff members, please kindly follow these precautions:

A. Prior to entry

1. Staff member will perform **temperature check**
2. Anyone with symptoms of COVID-19 will be sent home

B. Face Masks (per City of Pasadena Health Department)

1. All our doctors and team members will be wearing facemasks during patient care
2. All patients/family members are strongly recommended to wear facemasks when inside the office

C. Patient only without siblings

1. 1 parent/guardian for child patient, 1 family member and/or caretaker for individual with special needs, 1 interpreter, etc.
2. Please let us know in advance if there are any exceptional needs

D. Other reminders

1. No food or drinks in the office (other than water bottles)

IMPORTANT: If within the **past 5-7 days** you have experienced any symptoms (other than the COVID vaccine reactions), been in close contact with anyone with COVID, please inform our staff immediately.

Please speak with our Clinic Director if you have any questions.

COVID-related Health Precautions

The safety and health of our patients and staff members is our highest priority.

Therefore, the following precautions are implemented in our office:

A. Social Distancing

1. Plexiglass barrier between our front desk staff members
2. No-touch payment options (Apple Pay, Samsung Pay, Google Pay)

B. Protective Barrier

1. Installed at the front office
2. Available as needed on all vision therapy desks

C. Screening for Illness

1. Forehead temperature check for all staff and patients upon entry
2. Patients or staff with symptoms of illness will be sent home

D. Disinfection (with Clorox/Lysol Wipes, Alcohol \geq 70%, or Soap/Water)

1. Hand washing/Hand sanitizer by all doctors and staff prior to patient care
2. Disinfection of all equipment after each patient
3. Disinfection of all frames tried on by each patient

E. Face Masks

1. All our doctors and team members will be wearing facemasks
2. All patients/family members are strongly recommended to wear facemasks per City of Pasadena Health Department when inside the office

F. Air Quality

1. HEPA Air-filter units with UV-disinfection in each room to maximize air quality

G. Vision Therapy Sessions

1. All equipment is disinfected after each patient
